A Note to All Members: PECO and Exelon are committed to environmental stewardship and it is in support of this goal that in the future, the Committee has decided to eliminate the printing of the annual QCC book. The book will continue to be updated and available to view or download on the QCC website at

PRESIDENT'S MESSAGE

Welcome to the 97th Annual Quarter Century Club Dinner. On behalf of the Officers and Committee members of the PECO Quarter Century Club it is my pleasure to continue this tradition and we look forward to this evening every year. On behalf of the Officers and Committee Members, I would like to welcome the **53** new members that will be inducted for 2025.

The 2025 committee members have worked hard to make the evening very special for each and every one of you. I want to personally thank the committee and our executive sponsor, Aaron Briggs, for their hard work and diligence this past year to ensure that this year's dinner is a success.

I would also like to extend a special thank you to Dave Vahos, President and CEO of PECO. Without his support this evening would not be possible. Thank you Dave!

It has been both a privilege and an honor to serve as President of the Quarter Century Club for this year. The Committee and I look forward to helping our incoming President, Sandy Peterman. It's great to be continuing this time-honored tradition at PECO.

In closing, I wish you all good health and prosperity. Thank you again and enjoy the night!

Timothy J. Flanagan
2025 President, PECO Quarter Century Club
